# Deleting Activities or Resources

When an activity or resource is outdated or will no longer be used for the course, it can be deleted from the course page.

## Instructions

1. Log into Moodle and enter your course page.
2. Click the **gear** in the upper right corner and choose **Turn editing on**.
3. Locate the activity, content, or resource you wish to delete.
4. Click the **Edit** menu to the right of the item and choose **Delete**.
5. Confirm that you do want to delete the item.
