Organizing Course Content

Course resources and activities typically appear on the course page in the order that they are entered. Follow the directions below to organize content.

Instructions

1. Log into Moodle and enter your course site.
2. Click on the **gear** in the upper right corner and select **Turn editing on**.
3. A four arrow icon should appear to the left of each item on the course page.
4. Click and hold on the arrows and drag the item where you want it to be on the course page. A greyed-out image of the item should appear to show you where it's going to end up.
5. Release the click when the item is where you want it to be.
6. You can rearrange individual items or entire sections on the course page.
