## Accessing your MLC email for the first time

Your MLC Google Workspace Account password for your MLC email is different than your MLC Account (Moodle & Portal) password. To retrieve your initial password, follow these steps:

- 1. Log in to the MLC Portal at http://portal.mlc-wels.edu
- 2. Navigate to **Directory** > **By Person** using the top navigation bar
- 3. Click on the Me tab to view your directory entry
- 4. Take note of your Campus E-mail address (that will be the username for your MLC G Suite Account)
- 5. Click on the key to display your initial password, and write it down
