Printing

Students, Faculty, and Staff all have access to print services around campus. We utilize Novell iPrint and PaperCut to handle the print and print accounting services respectively. You can find our local installations below:

- MLC PaperCut Server: http://papercut.mlc-wels.edu

Printing is available in all computer labs on campus.

More Information

- Print Credit - information about checking and adding print credit
- Printing Overview - how printing works on campus
- Troubleshooting - how things can go wrong
