

Purchasing Software

Instructions

Students, faculty and staff at Martin Luther College have the opportunity to purchase software at discounted rates. To do so, follow these instructions:

- Visit <http://portal.mlc-wels.edu> and login with your [MLC Account](#)
- Click on `Tools > Purchase Software`
- Purchase software from the 3rd party site

You will be logged into your account and can purchase any of the available software titles from that page. This includes, most importantly, Microsoft Office.

Frequently Asked Questions

What's the catch?

There are a few things you need to keep in mind:

- You need to save the installer you download for your software
- You need to keep a record of any product keys you are given

After a given number of days, you will no longer have access to the download of the installer or your product key. If you lose either, you will need to purchase the software again. Network Services does not and cannot keep a record of that information for you.

Do I get to keep the software?

As long as you keep the download and product key you can keep the software. As stated above, if you lose either you will need to purchase the software again.
