Your MLC Accounts

When you are at MLC you have a couple of different accounts:

- MLC Account
- MLC G Suite Account

If this is your first time accessing these accounts, please read the **MLC Accounts Getting Started Guide**.

MLC Account

Your MLC Account is also sometimes called one of the following:

- Portal Account
- Moodle Account
- Novell Account
- eDirectory Account

Your MLC Account is the main account that protects much of your data and information. This password will change periodcally and you will be prompted to do so when logging into Portal, Moodle, or the Novell network on campus.

What You Can Access

- Portal
- Moodle
- Library Databases

Frequently Asked Questions

I have changed my name but my MLC Account username matches my former name. What can I do?

At this time our policy is not to change usernames. We can update your last name in our directory server and within Moodle, but you will need to file a support request.

Please state what your former name was, what your current name is, and the best way to let you know when the work is done.

MLC G Suite Account

Your MLC G Suite Account gives you access to all of the services offered from our G Suite for Education subscription. This includes, but is not limited to:

- Gmail
- Google Calendar
- Google Sites
- YouTube
- Google Plus
- Google Classroom
- Google Groups

Your MLC G Suite Account will always end with `@mlc-wels.edu` and should not be confused with any other personal or professional Google accounts you might have access to. :)

Password Help

Please visit the **Your Passwords** article for information on how to change or recover your MLC Account and/or MLC G Suite Account passwords.
