

Activity Types

Activities are things that you want the students to **do** in your online classroom. Unlike **Resources**, which are how instructors giving information to students, **Activities** are typically students giving information/feedback/etc. to the instructor.

The activities below are available to all instructors. Some activity blocks, like EdPuzzle or Perusall, are dependent on the resources used in your course.

Assignment

Allows students to turn in digital assignments, like documents, images, or media.
