Adding a Google Form to Moodle

1. Create your Google Form or Google Forms Quiz

2. Click the purple **Share** button in the upper right corner of your quiz.

3. If not already checked, check **Collect email addresses** so you know whose answers are whose.

4. Next to **Send via**, click the icon of the link to the right of the envelope.

5. Click **Copy** in the bottom right corner of the window to copy the link to the form.

6. Follow the instructions for adding a link to a webpage in your Moodle course.
