

Fixing Orphaned Content

Orphaned content can appear when the number of sections in a current course does not match the number of sections from an imported course. To fix this, follow the directions below to change the number of sections in the course.

Interactive Tutorial

*** Best experienced in Full Screen (click the icon in the top right corner before you begin) ***

9 STEPS

1. The first step is to open **your course** and click to turn on **Edit mode**

Step 1 image
Image not found or type unknown

2. Scroll and click **Close all**. This will make scrolling to the bottom of the page faster.

Step 2 image
