Group Types

No Groups

Groups will not be used for this activity. This is the default setting.

Separate Groups

Groups will be used for this activity. Students can only see the content of their own group. The other groups and their content are not visible to them.

Visible Groups

Groups will be used for this activity. Students can see the content of their group and all the other groups, but can only interact with the content from their own group.

Revision #3
Created 1 April 2019 20:39:36 by Rachel Feld
