

Other Grade Items

You can also add your own entries to the gradebook that aren't linked to a Moodle activity like an assignment or discussion forum. This could include in-class activities for face-to-face classes or other activities completed outside of Moodle.

Adding Other Grade Items

- Log into Moodle and enter your course site.
- Click **Grades**  from the menu on the left.
 - If the menu is not visible, click  in the upper left corner.
- Choose **Gradebook setup** from the dropdown menu on the Grades page.
- Scroll to the bottom of the page and choose **Add grade item**.
- Fill in the following information:
 - **Grade item**
 - **Item Name:** how the entry will appear in the gradebook. This will be visible to you and the students.
 - **Grade type:** *value* is the default choice. Click the  for information about the other options.
 - **Scale:** this option is only active when using the *scale* grade type.
 - **Maximum grade:** the largest number of points the item is worth.
 - **Minimum grade:** the smallest number of points the item is worth.
 - **Hidden:** if checked, the grade item will not be visible to students.
 - **Locked:** this option does not apply to this type of grade item. Do not check it.
 - **Parent category**
 - **Item weight:** this only applies if you are using weighted grades and categories.
 - **Grade category:** this only applies if you are using categories in your gradebook. Choose the category the grade item should be in.
 - Click **Save changes**
 - The item will appear in your gradebook. Follow the instructions for [reordering gradebook items](#) if needed.
