Other Grade Items

You can also add your own entries to the gradebook that aren't linked to a Moodle activity like an assignment or discussion forum. This could include in-class activities for face-to-face classes or other activities completed outside of Moodle.

Adding Other Grade Items

- Log into Moodle and enter your course site.
- Click **Grades** III from the menu on the left.
 - \circ If the menu is not visible, click \blacksquare in the upper left corner.
- Choose Gradebook setup from the dropdown menu on the Grades page.
- Scroll to the bottom of the page and choose Add grade item.
- Fill in the following information:

• Grade item

- **Item Name:** how the entry will appear in the gradebook. This will be visible to you and the students.
- **Grade type:** *value* is the default choice. Click the **?** for information about the other options.
- **Scale:** this option is only active when using the *scale* grade type.
- Maximum grade: the largest number of points the item is worth.
- Minimum grade: the smallest number of points the item is worth.
- **Hidden:** if checked, the grade item will not be visible to students.
- \circ **Locked:** this option does not apply to this type of grade item. Do not check it.
- Parent category
 - **Item weight:** this only applies if you are using weighted grades and categories.
 - **Grade category:** this only applies if you are using categories in your gradebook. Choose the category the grade item should be in.
- Click Save changes
- \circ The item will appear in your gradebook. Follow the instructions for reordering

gradebook items if needed.
